

When it comes to potent performance ingredients, we've got the inside track.*

Boost the hydration and recovery benefits of your next beverage with pure, clinically tested Sustamine™.* Produced through a patented fermentation process, Sustamine is a dipeptide that is more easily absorbed by the body than complex protein molecules.* This makes Sustamine a highly effective ingredient for hydration, endurance and recovery.* Vegetarian, allergen-free and the only GRAS L-Alanyl-L-Glutamine, Sustamine is also tasteless, odorless, and stable in liquids. If you're looking for a rehydration and recovery ingredient that can give you a real advantage, get to know Sustamine.

 **SUSTAMINE™**
